Remarks

If it's space that you need, this 3 bedroom, 2 full bathrooms home is perfect for you! Located on a secluded street on the Eastside of Pontiac, you can relax on the covered front porch. This home is also within walking distance of up-and-coming Downtown, and not far from Downtown Auburn Hills either. This home has a nice-sized yard for the children to play and/or for your company. Hardwood floors in spacious living room make it nice and comfortable, and the kitchen is nice with new cabinets and plenty of cabinet and counter space, but wait until you see the size of the main bedroom! No need to wonder if your bedroom set will fit, and the two closets provide enough space for plenty of clothes. Don't miss out. At this price it won't last long. Schedule a showing asap.
